MEERUT INSTITUTE OF TECHNOLOGY, MEERUT

(Department of Mechanical engineering)

All the conveners of the various committees are also advised to plan their respective activities calendar for the coming semester after considering the academic calendar of university and institution. The constitution of the above said committees is attached as annexure -1.

Functions and Responsibilities of Staff working committees in the Institute

Various committees are formed in the College for the smooth and efficient management of activities. It also gives the opportunity to the faculty to grow and develop in their extracurricular activity/field and administrative skills. The committees are constituted by the Director in consultation with HODs for one academic year or until new committees are constituted.

The outgoing Conveners/ In-charges of the committees are expected to hand over all the relevant documents/files to the new Conveners/in-charges in the presence of the Director or a representative appointed by him. The handed over documents shall be also signed by all the three mentioned above.

The procedure followed for constituting a committee is as follows:

- A notice is circulated among the faculty inviting their choice of preference of committee. If the preference made by the faculty is found suitable by the team (Director and HOD) they approve the same in consultation with the Director. In case of any tie or any mismatch, the team reassigns the staff member.
- However, for sufficient reasons the Director along with the HOD may appoint faculty to various committees.

1. Examination Committee

The Examination Committee is an apex body of the Institute which is headed by Examination In-charge (EI), and is facilitated by three sections; Examination, Record Maintenance and Administration.
